"2 Scoops"

I want 2 scoops
Not just one
Wanna have a little more
Wanna have some fun

Trying to forget about us
Though it's hard
Can't buy it back on a credit card

I want 2 scoops
Not just one

Hey, what a day
Like a painting
By Monet
So throw your troubles
Away
It's a beautiful day

I lived your life
And you lived mine
Our story ended at
Hollywood and Vine

Now you wanna rewrite
On your own
But words fail when you're all alone

I want 2 scoops
Not just one

Hey, what a day
Like a painting
By Monet
So throw your troubles
Away
It's a beautiful day

Hey, what a day
Like a painting
By Monet
So throw your troubles

Away
It's a beautiful day

Moving on gets easy with distance
(Ahh-ah)
There's less doubts and no resistance
(Ahh-ah)
Over the hump and far away
(Ahh-ah)
Life's good it's a beautiful day

I want 2 scoops
Not just one
Gonna have a little more
Gonna have some fun

Hey, what a day
Like a painting
By Monet
So throw your troubles
Away
It's a beautiful day
Yeah-Ha-ha

Hey, what a day
Like a painting
By Monet
So throw your troubles
Away
It's a beautiful day
Yeah-Ha-ha

What a beautiful day
Yeah-Ha-ha
Beautiful day
Yeah-Ha-ha
Beautiful day
What a beautiful day
Beautiful day
Beautiful day
What a beautiful day
