"I Abstain"

Visit "[I Abstain](#)" on MotoLyrics.com

Below my solitude I abstain.
Above my bitterness I grace the lie.
Sinking alone I severed the chord, drifting into the
wide. It lies below this tragedy, this suffering.
Life's blood flows out of me.
The deeper I sink the more life flows out of me.
Drifting towards the light I see torn from my home to
be.
Hook clawing at my flesh guiding me through my
journey.
Drowning in a sea of rusting faith.
Killing your dreams with bleeding mistakes.
A part of her dies too.
