Before time was, you were.
And when it's over, you will be my everything.
You fulfill my needs.
And every morning, you are the sunlight for me.

You are everything to me.
You're in every breath I breathe.
All of the love I ever need.
From My Heart To Yours.

You are in everything I do.
That's why I keep running to you
All of the words I say are true.
From My Heart To Yours.

Before you created heaven and earth,
You held me in your heart.
You saw mistakes that I would make.
And you planned ahead a road for escape.

You are everything to me.
You're in every breath I breathe.
All of the love I ever need.
From My Heart To Yours.

You are in everything I do.
That's why I keep running to you
All of the words I say are true.
From My Heart To Yours.

I just wanted to tell you
How I feel.
From my heart to yours.
Oh I Love You. Yes I do.

Because you show your love to me.
You gave your life.
It was the ultimate sacrifice.
And you did it all for me.

You are everything to me.
You're in every breath I breathe.

All of the love I ever need.
From My Heart To Yours.

You are in everything I do.
That's why I keep running to you
All of the words I say are true.
From My Heart To Yours.

You are everything to me.
You're in every breath I breathe.
All of the love I ever need.
From My Heart To Yours.

You are in everything I do.
That's why I keep running to you
All of the words I say are true.

You are everything to me.
You're in every breath I breathe.
All of the love I ever need.
From My Heart To Yours.

You are in everything I do.
That's why I keep running to you
All of the words I say are true.
From My Heart To Yours.
From My Heart To Yours.
