It's every thought I think
It's in every dream I dream
It's in every breath I breathe
Oh, it's taking over me

There's no fighting this
It's so obvious
I'm defenceless, It's stronger than me
I Surrender

I feel it every kiss we kiss
In the touch of your hand
There's no reason to resist
Oh, I don't stand a chance

I Surrender, to the power of love
I Surrender, 'cause what's happenin' to us
Is so right, is so real
And I can't fight this feeling forever
I Surrender
I Surrender

I feel it when you speak
I feel it on my skin
My will is getting weak
Oh, you know I'm giving in

I Surrender, to the power of love
I Surrender, 'cause what's happenin' to us
Is so right, is so real
And I can't fight this feeling forever
I Surrender
I Surrender

There's no fighting this
It's so obvious
I'm defenceless, It's stronger than me

I Surrender, to the power of love
I Surrender, 'cause what's happenin' to us
Is so right, is so real

And I can't fight this feeling forever

It's every thought I think

It's in every dream I dream

It's in every breath I breathe

I Surrender
