Never thought that love would ever shoot me down
One shot was all it took for love to take me out
Pistol is loaded, no where for me to hide
Hand on the trigger, aiming for your bullseye.
Your automatic is set on semi-fire order to kill on sight.

Bridge:

All I remember is a flash
And looking down a barrel last,
One shot straight to the heart,
No escaping your attack
It's in your aim,
You had a perfect shot,
Bang Bang point blank with your love flame.

Chorus:

Oh, you shot me with your love gun,
You don't play bad, you wanna last long.
Yeah, you shot me with your love gun,

With your love gun!

Tried to block my heart wearing a bullet proof vest,
Caught me off my guard sending one to my head,
Bullet so explosive, you shot at me down to the nerve
Shotgun locked and loaded
I'm caught up in your massacre.

All I remember is a flash
And looking down a barrel last,
One shot straight to the heart,
No escaping your attack
It's in your aim,
You had a perfect shot,
Bang bang point blank with your love flame.

Chorus:

Oh' you shot me with your love gun,
You don't play bad, you wanna last long.
yeah, You shot me with your love gun,
With your love gun!

All I remember is a flash
And looking down a barrel last,
One shot straight to the heart,
No escaping your attack
It's in your aim,
You had a perfect shot,
Bang bang point blank with your love flame.

Chorus:

Oh, you shot me with your love gun,
You don't play bad, won't last long.
Yeah, you shot me with your love gun,
With your love gun!

Repeat 2x's
