The situation don't look good.  
I know you'd change it if you could.  
The sun will shine again.  
The trouble's all in your mind.  
Don't run away, give it time.  
The sun will shine again.

We all have times when we cry.  
When the healing flows from our eyes.  
But after the pouring rain,  
We know that the sun will shine again.

The sun will shine again.  
This is not the way it will end.  
The sun will shine again.  
The night will move away,  
And joy will come, rest and stay.  
The sun will shine again.

There's still some ray of hope.  
Cause God is in control.  
Hold your head up my friend.  
I'm tellin you the sun will shine again.

The sun will shine again. (ooh)  
This is not the way it will end.  
The sun will shine again. (ooh)  
The night will move away, (night will move away)  
And joy will come, rest and stay.  
The sun will shine again.

Oooh .  
Keep the faith, don't give up and don't give in.

The sun will shine again.  
This is not the way it will end.  
The sun will shine again.  
The night will move away,  
And joy will come, rest and stay.  
The sun will shine again.

The sun will shine again.

This is not the way it will end.  
The sun will shine again.  
The sun will shine again.  
So Don't worry, it's going to be okay. Yes it Will  
The sun will shine again.  
The sun will shine again.  
Just believe it , believe.  
The sun will shine again.  
The sun will shine again.  
So hold your head up. Don't give up and don't give in.  
The sun will shine again.  
It might take a litle while, but.....  
This is not the way (not the way), it will end.  
The sun will shine again.  
The sun will shine again.  
Ooh.  
The sun will shine again.....Yeah!
