Yeah
Mmmh
Yeah...

I bet you're surprised, uh
To see me waking up from you
There's something I just gotta say
Never in my life
Could I ever imagined that
That love was ever gonna feel this way

And I never ever felt so special
Never knew something could be so true
And I'm so much better
Grateful forever
Baby I owe it all to you

I wanna thank you
For staying out late all the time
While you were out getting yours
Boy, I was getting mine
I wanna thank you
For the times you cheated on me
Cuz I almost loved you forever
Never would have found someone better
I wanna thank you, thank you
For losing me (thank you, baby)
I wanna thank you, thank you
For losing me

Don't look surprised
D'you really think I was so blind
I wouldn't notice the signs
And it was you, uh
Who gave me all the time to find
All the love that you ain't giving me no more

And I never ever felt so special
Never knew it could feel so good inside
I'm so much better
Grateful forever

So before I say goodbye to you

I wanna thank you (thank you)
For staying out late all the time (late all the time, baby)
While you were out getting yours
Boy I was getting mine (I was getting mine, yeah)
I wanna thank you
For the times you cheated on me (cheated on me)
Cuz I almost loved you forever (forever)
Never would have found someone better (no)
I wanna thank you, thank you
For losing me (thank you, baby)
I wanna thank you, thank you
For losing me (oh)

I've never been so sincere
Cuz all the things you did
Made everything so clear
Baby, understand
I wouldn't have found a real man
If it wasn't for you
I wanna thank you
For leavin' me alone at night
I wanna thank you
For not coming up with better lies
Cuz he loves me better
Than you could ever
And I owe it all to you

I wanna thank you (thank you)
For staying out late all the time (hey, hey, hey)
While you were out getting yours (while you were out)
Boy I was getting mine (I was getting mine)
I wanna thank you (hey)
For the times you cheated on me
Cuz I almost loved you forever (yeah)
Never would have found someone better
(I never would have found him)

I wanna thank you (thank you)
For staying out late all the time
While you were out getting yours
Boy, I was getting mine (I was getting mine)
I wanna thank you
For the times you cheated on me (cheated on me)
Cuz I almost loved you forever (oh whoa)
Never would have found someone better
I wanna thank you, thank you
(I wanna thank you, thank you)
For losing me
I wanna thank you, thank you

(I would have never found him)
For losing me
