Ooh, there's somethin' 'bout the skylight tonight
Something that makes me know everythin's gon' be
alright
There's somethin' in the way that the stars align
There's not a single moment Imma pass by

The hour's now, the base is loud
The disco lights, shinin' through the crowd
We're holdin' time in our hands and it stops when we
say
We say and we ain't stoppin' 'til the morning light

We gotta hold back the sun, don't let it come
Ain't stoppin' for no one, the night is young
Don't let them turn on the lights
Let us decide when they play that last song
The night is done, when we break the dawn

We break the dawn
We break the dawn
We break the dawn
We break the dawn

Ooh, there somethin' on the surface right now
Somethin' the keeps me movin' diggin' deeper down
So I just let the speakers speak to me
Vibrations movin' on the floor all around

The hour's now
(Yes)
The base is loud
(Yes)
The disco lights
(Yes)
Shinin' through the crowd
We're holdin' time in our hands and it stops when we
say
And we ain't stopping 'til the morning light

We gotta hold back the sun, don't let it come
Ain't stoppin' for no one, the night is young
Don't let them turn on the lights

Let us decide when they play that last song
The night is done, when we break the dawn

We break the dawn
We break the dawn
We break the dawn
We break the dawn

We break the dawn
We break the dawn
We break the dawn
We break the dawn

The daylight scene never hurt nobody
And if the DJ decides there ain't no more party
'Cause we're turnin' when we're good and ready
We step outside, 'til the sunrise
Wait up and let me

We ain't goin' nowhere 'til we good and ready
Ooh, break the dawn

We gotta hold back the sun, don't let it come
Ain't stoppin' for no one, the night is young
Don't let them turn on the lights
Let us decide when they play that last song
The night is done
(Keep it goin')

We gotta hold back the sun, don't let it come
Ain't stoppin' for no one
The night is young
(The night is young)
Don't let them turn on the lights
Let us decide when they play that last song
The night is done

We gotta hold back the sun
We break the dawn
We break the dawn
