Children hear the bell sound
Gather inside the bible house

1879 the holy man invites you in
He welcomes children from everywhere
To his pleasure place

The doors are close and now its time to learn the bible
But first thing first he got one rule
What happens here must never leave this room
It's not for the world outside to know
He gives you looks but you are way too young to know
All the naughty in his mind

Blessed by the holy man
Caressed by the holy man

Twenty children in the same place
What a sight for the holy man
The class is over you can dismiss
Except for you please stay a while

He got a thing for the girl Rose
And he wants her in his knee
Little girl you can never tell
This is just for you and me
He gets erected when he touches her skin
He wants to stick it deep within

Blessed by the holy man
Caressed by the holy man

Children hear the bell sound
Gather inside the bible house
Blessed by, Fucked by
C..... T.. R..

1879 the holy man invites you in
He welcomes children from everywhere
To his pleasure place

The doors are close and now its time to learn the bible

But first thing first he got one rule
What happens here must never leave this room
It's not for the world outside to know
He gives you looks but you are way too young to know
All the naughty in his mind

Blessed by the holy man
Caressed by the holy man
