So big and beautiful
But thru my eyes a pile of filth
Why should I
Pay for nothing I use
I did not ask for it to be built

Never will I put money in the
Collector's plate
As I see it we don't need this
House of greed

I refuse to pay for nothing I use
But still it steals from what I earn
It steals from you maybe you don't know it yet
Like a thief it takes to survive

Never will I put money in the
Collector's plate
As I see it we don't need this
House of greed

With time more people with know
With fire they will defend themselves

Burn the church down
Burn it down

Fire devours the church like nothing
Stay away from me or fire I will bring

Feel free to hate me but this is what I think
Nothing that you say will ever change me

Burn the church down
Burn it down

So big and beautiful
But thru my eyes a pile of filth
Why should I
Pay for nothing I use
I did not ask for it to be built

Never will I put money in the
Collector's plate
As I see it we don't need this
House of greed
