No sittin' down on your butt  
The world don't owe you  
No sittin' down in a rut  
I wanna show you

Don't waste your energy  
On makin' enemies  
Just take a deep breath  
And work your way up

Let's work, be proud  
Stand tall, touch the clouds  
Man and woman, be free  
Let's work, kill poverty  
Now work your way up

Let's work, be proud  
Stand tall, touch the clouds  
Man and woman, be free  
Let's work, kill poverty

You're sittin' down on your butt  
And you get greedy  
You start to lose your nuts  
Don't you look seedy  
Can generosity bring you humility  
So take a deep breath

Ain't gonna sweat for you  
Ain't gonna sigh for you  
Ain't gonna cry for you  
If you're lazy

Ain't gonna slave for you  
Ain't gonna hurt for you  
It just won't work for you  
If you're lazy  
Come on, come on, come on

Let's work, be proud  
Stand tall, touch the clouds  
Let's work, let's eat

Let's live in ecstasy  
Man and woman, be free  
Let's work, kill poverty

Let's work, be proud  
Stand tall, touch the clouds  
Man and woman, be free

Let's work, let's work  
Get down, get down, get down  
Get down in the dirt and let's work  
Get down in the dirt and let's work

Get up, be free  
Get down in the dirt, let's work  
Get down in the dirt and let's work  
Get down in the dirt, take off your shirt  
Get down in the dirt and let's work

Let's work  
Let's work  
Let's work  
Let's work  
Oh yeah, oh yeah  
Oh yeah, oh yeah
