[Talking:]

Hey it's Mickael

I'm just calling to see how your doin

Haven't talked for the past two weeks

So I wanna make sure you're ok

Also was wondering if you'd still, you know think about
me

Perhaps you would still care

And miss me sometime

[Chorus:]

Do you think of me like I'm thinking of you

I was wondering if you still care to

I just wanna know if your missing me too

Tell me do you feel the way I do

[Verse 1:]

Do you listen to our song and wonder

Baby where we went wrong I wonder

What you doing right now baby

Are you coming over to hear my band

Do you dream of what I'm doing

Do you ask my boys about me

You thought you could keep on living

But you realized that you miss me so

[Chorus:]

Do you think of me like I'm thinking of you

I was wondering if you still care to

I just wanna know if your missing me too

Tell me do you feel the way I do

[Verse 2:]

Do you miss it when I used to put my lips on you

Do you miss it when I used to say I love you

Do you miss it when we used to hold hands

Getting public at the mall, pretty girl I was your man

And do you miss it when I used to buy you little things

Beradamo, jimmy choos and tiffanys

If I could go back in time I'd do it all again

Girl I'm so confused (daym)

I'm just saying

[Chorus: x3]

Do you think of me like I'm thinking of you

I was wondering if you still care to

I just wanna know if your missing me too

Tell me do you feel the way I do
