Hoo-we baby, baby you're so fine
Gotta have your lovin' any old time
Ooo baby
Baby, baby you're so fine, fine, fine

Hoo-we baby, remember last night?
You said you were leaving
We had a big fight
Ooo baby
Baby, baby you're so fine, fine, fine

Remember the night I met you?
We danced until a quarter to two
You held my hands and you kissed my lips
Baby what you tryin' a-do?
Woo-woo-woo

Hoo-we baby, gotta let you know
What you reap baby, you sure gotta sow
Ooo baby,
Baby, baby you're so fine, fine, fine

[Instrumental]

Hoo-we baby, baby you're so fine
Gotta have your lovin' any old time
Ooo baby,
Baby, baby you're so fine, fine, fine
Ooo baby,
Like to make-a your all mine, mine, mine
FADES-
Ooo baby
Baby, baby you're so fine, fine, fine
Ooo baby.
