This is my story, I have no song
Just alone and broken hearted
Just because I fell in
In love with you

I pray that you'll come back to me
Just to hear you say you love me
And we'll never, ever part
Part from you

Dooba, da do, da do, da do
Dooba, dooba, dooba
Dooba, da do, da do, da do
Dooba, dooba, dooba
Dooba, da do, da do, da do
Ooba, dooba, dooba do
Da do, da do, da do

You pray that I'll come back to you
Yes, darling, I love you
And we'll never, ever part
No we'll never, ever part
No we'll never, ever part
No we'll never, ever part'
