

Conway Twitty "A Tree In The Meadow"

Visit "[A Tree In The Meadow](#)" on MotoLyrics.com

In the country lies a meadow
In the meadow stands a tree
'Neath the tree flows a river
But my fondest memory.

Is the tree in the meadow
With a stream drifting by
And carved upon that tree
I see "I'll Love You Till I Die".

I will always remember the love
In your eyes the day you carved
Upon that tree "I'll Love You Till I Die".

And farther on down lovers' lane
A silhouette I see, I know you're
Kissing someone else
I wish that it were me.

By the tree in the meadow
My thoughts always lie
And wherever you go
You'll always know "I'll Love You Till I Die"...
