Maybe it's the way you kiss me
Or that twinkle in your eye
Maybe it's the way you hold me
And keep me satisfied
Just as long as you love me
I guess it doesn't matter why
You're the one I've dreamed of
All my life.

Maybe it's the way I sometimes catch you
With my reflection in your eyes
Maybe it's the times I tease you
And you laugh until you cry
Just as long as you love me
I guess it doesn't matter why
You're the one I've dreamed of
All my life.

Maybe it's the way you kiss me
Or that twinkle in your eye
Maybe it's the way you hold me
And keep me satisfied
Just as long as you love me
I guess it doesn't matter why
You're the one I've dreamed of
All my life.

You're the one I've dreamed of
All my life...
