There's a new kind of music goin' 'round  
It's known as the Boogey Grass sound  
So grab your partner and swing her around  
And dance to the Boogey Grass sound.

I love to hear Bill sing about Kentucky  
And the Allmon Brothers' "Ramblin' Man"  
We put the music all together  
So dance to the Boogey Grass Band.

--- Instrumental ---

Well, my daddy plays the banjo and saws a fiddle too  
He taught me how to sing and play for you  
I've got Blue Grass in my soul and rhythm in my feet  
So dance to the Boogey Grass beat.

I love to hear Bill sing about Kentucky  
And the Allmon Brothers' "Ramblin' Man"  
We put the music all together  
So dance to the Boogey Grass Band.

--- Instrumental ---

I love to hear Bill sing about Kentucky  
And the Allmon Brothers' "Ramblin' Man"  
We put the music all together  
So dance to the Boogey Grass Band.
