Born to lose
I've lived my life in vain
Every dream
Has only brought me pain.

All my life
I've always been so blue
Born to lose
And now I'm losin' you.

Born to lose
It's been so hard to bear
And when I've waited
And I found that you're not there.

You've grown tired
And now you say we're through
Born to lose
And now I'm losin' you.

--- Instrumental ---

Mhm All my life
I've always been so blue
Born to lose
And now I'm, I'm losin' you...
