Woman: Jimmy please say you'll wait for me, I'll grow
up someday
you'll day you see. Saving all my kisses just for you,
shined with love
forever true

Man: Joni was the girl who lived next door, I've known
her I guess

10 years or more. Joni wrote me a note one day. And
this is what
she had to say

Woman: Jimmy please say you'll wait for me, I'll grow
up someday
you'll see. Saving all my kisses just for you. Signed with
love forever
true

Man: Slowly I read her note once more, then i went over
to the house
next door her tear drops fell like rain that that day ,
When I told Joni
what I had to say

Man: Joni, Joni please don't cry, You'll forget me by and
by, Your just
fifteen, I'm 22. And Joni I just cant wait for you

Man: Soon I left our little hometown, got me a job and
tried to settle
down. But these words kept haunting my memory the
words that Joni
said to me

Woman: Jimmy please say you'll wait for me, I'll grow
up someday
you'll see. Saving all my kisses just for you. Signed with
love forever
true

Man: I packed my clothes and I caught a plane, I had to
see Joni I had
to explain how my heart was filled with her memory,
and ask my Joni
if she marry me

Man: I ran all the way to the house next door but things
weren't like
they were before. My tear drops fell like rain that day

when I heard
what Joni had to say
Woman: Jimmy Jimmy please don't cry you'll forget me
by and by.
Its been 5 years since you've been gone. Jimmy I
married your best
friend John
