Don't you cry no more, hey baby, don't cry  
Don't you cry no more, baby, hey baby, don't cry  
Don't she'd a tear, don't she'd a tear baby  
Don't you cry no more, hey baby, don't cry.

Well, you could cry me a river, come on cry me a sea  
Yeah baby, I believe our love's up, you really, really,  
really love me  
So yeah, yeah, yeah, yeah.

--- Instrumental ---
