If there's a chance that your heart misses the words I
tried to say with kisses
If I don't seem to look as happy as I should
I don't wanna live without you, I know everything about
you
Yes, even the bad times are good.

Your middle name should be perfection for that's what
you are to me
Even in my darkest moment you made it easier to see
I wouldn't change one thing about you if I knew that I
could
Yes, even the bad times are good.

you are to me
Even in my darkest moment you made it easier to see
I wouldn't change one thing about you if I knew that I
could
Yes, even the bad times are good.
