Never know how much I love you,
Never know how much I care
When you put your arms around me,
I get a fever that's so hard to bear.

You give me fever - when you kiss me,
Fever when you hold me tight
Fever - in the morning,
Fever all through the night.

Sun lights up the daytime,
Moon lights up the night
I light up when you call my name,
Because you know I'm gonna treat you right

You give me fever - when you kiss me,
Fever when you hold me tight
Fever - in the morning,
Fever all through the night.

Now listen to me baby
And hear every word I say
No one can love you like I do
'Cause they don't know how to love you my way

You give me fever - when you kiss me,
Fever when you hold me tight
Fever - in the morning,
Fever all through the night.

Well, now you've heard my story,
Here's the point that I have made:
Chicks were born to give you fever,
Be it fahrenheit or centigrade

They give you fever - yeah, when you kiss them,
Fever when you live and learn
Fever - till you sizzle,
What a lovely way to burn.

What a lovely way to burn.
What a lovely way to burn...
