Oh, the games people now
Every night and every day now
Never meanin' what they say now
Never sayin' what they mean.

So they wile away the hours in their ivory towers
Till they're covered up with flowers
In the back of a black limousine

Lotten da la da da da
Lotten da la a dee de dee
Talkin' bout you and me
And the games people play.

Oh, we make one another cry
Break a heart then we say goodbye
Cross our hearts and we hope to die
That the other one's to blame.

But neither one will ever give in
So we gaze at an eight by ten
Thinkin' 'bout the things that might have been
And it's a dirty rotten shame

Lotten da la da da da
Lotten da la a dee de dee
Talkin' bout you and me
And the games people play.

People walkin' up to ya singing glory hallelujah
And they're tryin' to sock it to ya in the name of the
Lord
They're gonna teach you how to meditate
Read your horoscope and cheat your fate
And furthermore to hell with hate
Come on and get on board.

Lotten da la da da da
Lotten da la a dee de dee
Talkin' bout you and me
And the games people play.

Look around and tell me what you see
What's happened to you and me
God grand me the serenity to just remember who I am
'Cause you've given up your sanity
For your pride and your vanity
Turn your back on humanity
And you don't give a lot.

Lotten da la da da da
Lotten da la a dee de dee
Talkin' bout you and me
And the games people play...
