You shake my nerves and you rattle my brain
Too much love drives a man insane
You broke my will, but what a thrill
Goodness gracious great balls of fire.

I learned to love all of Hollywood money
You came along and you moved me honey
I changed my mind, looking fine
Goodness gracious great balls of fire.

You kissed me baby, woo, Honey that sure does feels
good
Hold me baby, learn to let me love you like a lover
should
Your fine, so kind
Gonna tell this world that your mine mine mine mine.

I cut my nails and I quiver my thumb
I'm kinda nervous but it sure is fun
Come on baba, you drive me crazy
Goodness gracious great balls of fire.

--- Instrumental ---

Well, kiss me baby, woo, Honey that sure does feels
good
Hold me baby
I want to love you like a lover should
Your fine, so kind I'm gonna tell this world that your
mine, mine, mine, mine.

I cut my nails and I quiver my thumb
I'm kinda nervous 'cause it sure is fun
Come on baby, you drive me crazy
Goodness gracious great balls of fire...
