I got a gal, Miss Ruby is her name
She don't love me but I love her just the same
Oh, little Miss Ruby, is her name
She's got the kind of lovin', set my heart aflame
I got a gal, Miss Ruby is her name.

Hey, Miss Ruby, you make my heart to flip
Everytime I kiss your ruby lips
Oh, I love you it's plain to see
Why, oh why, don't you love me
Hey, Miss Ruby, I'm down on bended knee.

Said hey, Miss Ruby, can't you see
That I want you to marry me
Hey, Miss Ruby, don't you're gonna stand
That I wanna be your lovin' man
Hey, Miss Ruby, my heart's at your command.

--- Instrumental ---

(Ruby, Ruby, hey, Miss Ruby.)

Hey, Miss Ruby, can't you hear me callin' you
I want you Ruby and no one else will do
Oh, if you don't love me Ruby, I don't care
Anytime you want me I'll be there
Hey, Miss Ruby, I'll come to you anywhere.

Hey, hey, Miss Ruby, you're my speed
You've got the kind of lovin' that I need
Little Miss Ruby is your name
You've got the kind of lovin', set my heart aflame
I got a gal, Miss Ruby is her name.

Well, Miss Ruby is my baby
Little Miss Ruby don't mean maybe
Yeah, little Miss Ruby...
