There's a devil in my body  
That I just can't satisfy  
Other women haunt me  
Even though I love my wife.

It's because I really love her,  
I try to save her heart with lies  
But I know she knows  
I can see it in her eyes.

I try to stay at home, love only her,  
Play with the kids and watch T.V.  
But then my mind becomes unsure  
About the kind of love I need.

My reasons for cheating  
There as good as lies can be  
How much more can she stand  
And still stand by me?

--- Instrumental ---

It's so hard for me to call her  
I can hardly dial the phone  
I did wrong again last night,  
Now I just want to go back home.

She knows that I lied,  
Lord, she'll cry where I can't see  
How much more can she stand  
And still stand by me?

How much more can she stand  
And still stand my me?...
