Conway Twitty & Loretta Lynn

(Loretta)

Today, I passed you on the street

And my heart fell at your feet

I can't help it if I'm still in love with you.

Somebody else stood by your side

And he looked so satisfied

I can't help it if I'm still in love with you.

(Conway)

A picture from the past came slowly stealing

As I brushed your arm and walked so close to you

Then suddenly I got that old time feeling

I can't help it if I'm still in love with you.

--- Instrumental ---

(Both)

It's hard to know another's lips will kiss you

And hold you just the way I used to do

Oh, heaven only knows how much I miss you

I can't help it if I'm still in love with you.

I can't help it if I'm still in love with you...
