It used to break my heart each time you cheated,  
I tried to leave you, the Lord knows how I've tried  
But I stayed here no matter how I'm treated  
And all it really cost me was my pride.

But I don't mind,  
I don't mind  
I did for a time  
But I don't mind.

You and I have a perfect understanding  
You come and you go as you please  
And I never get too angry or demanding  
It's hard to get mad on your knees.

But I don't mind,  
Baby, I don't mind  
I did for a time  
But I don't mind.

Once I was strong as a mountain,  
I stood tall like a giant Oak tree  
Now my blood runs thin like water in a fountain  
You took all the man outta me.

But I don't mind,  
Baby, I don't mind  
I did for a time  
But I don't mind...
