(Harlan Howard - Hank Cochran)

I fall to pieces each time I see you again
I fall to pieces how can I be just your friend
You want me to act like we've never kissed
You want me to forget pretend we've never met
But I've tried, I've tried I haven't yet
You walk by and I fall to pieces.

--- Instrumental ---

You tell me to find someone else to love
Someone who'll love me too the way you used to do
But I've tried, I've tried but I haven't yet
You walk by and I fall to pieces...
