Well (well) well (well), well (well) well (well) well (well)  
Well (well) well (well) well (well) well (well) well (well.)

I got a woman way over town that's good to me, oh  
yeah  
I got a swingin' woman way across town she knows  
she's good to me, oh yeah  
She gives me money money I need, oh yeah  
I got a woman way over cross town that's good to me,  
oh yeah.

She save her loving early in the morning just for me, oh  
yeah, for me  
She save her loving early in the morning and it's all for  
me, yeah, just me  
She save her loving just for me, oh yeah, so tenderly  
I got a woman way over town that's good to me, oh  
yeah.

--- Instrumental ---

She's there to love me both day and night  
Never grumbles or fusses always treats me right  
Never running the streets never leave me alone  
She knows the woman places right there out in our  
home.

I got a little woman way over town that's good to me, oh  
yeah  
I got a swingin' woman way across town she knows  
she's good to me, oh yeah  
She gives me money money I need, oh yeah  
I got a woman way over cross town that's good to me,  
oh yeah...
