Don't let this call bother you in any way
I just had to hear your voice one more time,
I know you've made a new life, a new life without me,
But I'm alright, I just had you on my mind.

Oh, You sound so close, I can almost feel your touch
And remember the way, you loved me
I don't know what went wrong, all I know is that your
gone,
But I'm alright, I just had you on my mind.

I'll hang up in a minute, it's been good talking with you
I guess you want to go now, you've got other things to
do
Please don't think I'm blue, I just happen to think of you
But I'm alright, I've just had you on my mind.
I just had you on my mind

--- Instrumental ---

You know, you sound so close, I can almost feel your
touch
And I remember the way you loved me
I don't know what went wrong, all I know is that your
gone
But I'm alright, I just had you on my mind...
