Love, love, gimme some love and make
Love, love, gimme some love and make

Gimme me some love, I need your lovin'
Gimme some hug, I need your huggin'
Gimme some love, I need your lovin' bad

Gimme some kiss and gave it gladly
Baby, I miss it, your lovin' badly
So give me some lovin', I need your lovin' bad

Well, please tell me, baby, what I wanna know
If you still love me then tell me so
If you still want me, I'll be around
Please, please, baby, don't let me down

Gimme some love, I need ya, honey
Well, I got the car, I got the money
So give me some lovin', I need your lovin' bad

Gimme me some love, I need your lovin'
Gimme me some hug, I need your huggin'
Gimme some love, I need your lovin' bad

Gimme me some kiss and give it gladly
Baby, I miss it, your lovin' badly
So give me some lovin', I need your lovin' bad

Well, please tell me, baby, what I wana know
If you still love me then tell me so
If you still want me, I'll be around
Please, please, baby, don't let me down

Gimme me some love, I need your lovin'
Gimme me some hug, I need your huggin'
Gimme some love, I need your lovin' bad

Gimme me some kiss and give it gladly
Baby, I miss it, your lovin' badly
So give me some lovin', I need your lovin' bad

Well, please tell me, baby, what I wanna know

If you still love me then tell me so
If you still want me, I'll be around
Please, please, baby, don't let me down

Gimme some love and give it gladly
Baby, I miss your lovin' badly
So give me some lovin', I need your lovin' bad
