Oh, and I wish you could have turned my head  
And left my heart alone  
Ever since I've met  
You baby you have done me wrong.  
You walked by you shook that thing  
You know I'm not that strong  
But I wish you could have turned my head  
And left my heart alone.

Oh, and I wish you could have turned my head  
And left my heart alone  
Ever since I've met  
You baby you have done me wrong.  
You walked by you shook that thing  
You know I'm not that strong  
But I wish you could have turned my head  
And left my heart alone.

The first time I laid eyes on you  
Got caught up in your sway  
Thought I didn't have a chance  
And then you looked my way.  
From the longing to the loving girl  
We've made it all the way  
But for all the hunger in my eyes  
My heart has had to pay.

Oh, and I wish you could have turned my head  
And left my heart alone  
Ever since I've met  
You baby you have done me wrong  
You walked by you shook that thing.  
You know I'm not that strong  
But I wish you could have turned my head  
And left my heart alone.

I wish you could have turned my head  
And left my heart alone  
Ever since I've met  
You baby you have done me wrong.  
You walked by you shook that thing  
You know I'm not that strong

But I wish you could have turned my head  
And left my heart alone.

Oh, and I wish you could have turned my head  
And left my heart alone  
Ever since I've met  
You baby you have done me wrong.  
You walked by you shook that thing  
You know I'm not that strong  
But I wish you could have turned my head  
And left my heart alone.

Oh, and I wish you could have turned my head  
And left my heart alone  
Ever since I've met  
You baby you have done me wrong.  
You walked by you shook that thing  
You know I'm not that strong  
But I wish you could have turned my head  
And left my heart alone...
