If tonight should be our last night together
I'm not sorry that we fell in love at all
And if tomorrow sun should find me hurtin' for you I
know
That the price for loving you would still be small.

For I'd never know the thrill of your sweet lips
And the chills I get just knowing that you're mine
'Cause I'd spend my life just knowing what real love is
Oh no, Though I'd be hurtin' I'm still certain
That I'd rather love and lose you
Than never know your love at all.

--- Instrumental ---

For I'd never know the thrill of your sweet lips
And the chills I get just knowing that you're mine
'Cause I'd spend my life just knowing what real love is
Oh no, Though I'd be hurtin' I'm still certain
That I'd rather love and lose you
Than never know your love at all...
