I'll have another cup of coffee, then I'll go
I just thought I drop by and let you know
That I'm leaving town tomorrow
I'll cause you no more sorrow
I'll have another cup of coffee then I'll go

I brought the money like the lawyer said to do
It won't replace all the heartache I've caused you
It won't take a place of loving you I know
I'll have another cup of coffee then I'll go

Tell the kids I came by awhile last night
And I kissed them while they slept so tight
Make my cup of coffee sweet and make it warm
Just the way you used to be inside my heart
I'll have another half of cup then I'll go
