You came to me and you threw me, with a simple
goodbye
I begged your forgiveness, but you won't even try
You just say that it's all over, that you'll soon forget
Ah! But I still remember
I'm not through lovin' you, yet

No, I'm not through loving you
I just need some time to make the plans
That we've made, come true
Now you're tirin' of trying and soon I'll regret
That I couldn't hold you
I'm not through lovin' you yet

No, I'm not through loving you
I just need some time to make the plans
That we've made, come true
But you're tirin' of trying and soon I'll regret
That I couldn't hold you
I'm not through loving you yet
