I cry myself to sleep each night
Wishing I could hold you tight
Life seems so empty since you went away
The pillow where you lay your head
Holds my lonely tears instead
It keeps right on a-hurtin'
Since you're gone.

It keeps right on a'hurtin every minute of the day
Every hour you're away I feel so lonely
And I can't help it, I don't think I can go on
And it keeps right on a-hurtin' since you're gone.

--- Instrumental ---

They say a man should never cry when I see you
passing by
My heart breaks down and cries a million tears
You broke my heart and set me free you forgot your
Memories
And it keeps right on a-hurtin' since you're gone.

It keeps right on a'hurtin every minute of the day
Every hour you're away I feel so lonely
And I can't help it, I don't think I can go on
And it keeps right on a-hurtin' since you're gone...
