It all started early this morning
As her mem'ry cruelly eased my mind
I found a picture in my wallet
I thought I threw away
Oh, it's been one heck of a day.

Then while looking through the evening papers
I ran across some torturing news
Mr. and Mrs, O'Grady now have a new baby
Oh, it's been one heck of a day.

Is it there for me to love her
And cry at the thought of her
When my only hope is a dream.

An old friend dropped by late this evening
Wouldn't you know he asked about her
But I guess he didn't know that I lost her long ago
Oh, it's been one heck of the day.

Oh, it's been one heck of a day...
