I thought I've never seen a girl like her in here before  
And I could see her watching me as I walk across the  
floor  
I asked her if she'd like to dance when the band starts  
up again  
She said, "I never danced with strangers, I don't even  
know your name"

I said, "We're not exactly strangers, you and I  
My thoughts were running wild and free as I watched  
you tonight  
Just think about it and you'll find  
We're not exactly strangers, I've already loved you in  
my mind"

The band started playing a slow moving song  
She got up and easily moved into my arms  
I kept on saying the things a girl likes to hear  
And when the dance was over she whispered in my ear

She said, "We're not exactly strangers, you and I  
My thoughts were running wild and free while you held  
me tight  
I thought about it and I find  
We're not exactly strangers, I've already loved you in  
my mind"
