Whenever I chance to meet, some old friends on the street

They wonder, how does a man get to be this way
I've always got a smilin' face, any time and any place
And everytime they ask me why, I just smile and say.

You've got to kiss an angel good mornin'
And let her know you think about her when you're gone
Kiss an angel good mornin'
And love her like a devil when you get back home.

Some people may try to guess, the secret of a happiness
But some of them never learn, it's a simple thing
The secret I'm speaking of, is a woman and a man in love
The answer is in that song, Charlie always sings.

You've got to kiss an angel good mornin'
And let her know you think about her when you're gone
Kiss an angel good mornin'
And love her like a devil when you get back home.

You've got to kiss an angel good mornin'
And let her know you think about her when you're gone
Kiss an angel good mornin'
And love her like a devil when you get back home...
