Come on baby, let the good times roll
Come on baby, let me thrill your soul
Come on baby, let the good times roll
Roll all night long.

Come on baby, while the thrill is on
Come on baby, let's have some fun
Come on baby, let the good times roll
Roll all night long.

Come on baby, yes, this is it
This is the something we just can't miss
Come on baby, let the good times roll
Roll all night long.

Come on baby and take my hand
Come on baby, let me be your man
Come on baby, let the good times roll
Roll all night long.

Well, it feels so good
When your home
Come on baby
Rock me all night long.

Come on baby, let the good times roll
Come on baby, let me thrill your soul
Come on baby, let the good times roll
Roll all night long.

--- Instrumental ---

It feels so good
When your home
Come on baby
Let the good times roll
Roll all night long.

Yeah, come on baby, let the good times roll
Roll all night long...
