

## Conway Twitty "Let Your Love Flow"

There's a reason for the sunshine sky  
There's a reason why I'm feeling so high  
Must be the season when that love light shines all  
around us  
So let that feeling grab you deep inside and send you  
reeling.  
Where your love can't hide and then go stealing.

Through the moonless nights with your lover  
Just let your love flow like a mountain stream  
Let your love grow with the smallest of dreams  
And let your love show and you'll know  
What I mean it's the season.

Yeah let your love fly like a bird on the wing  
And let your love bind you to all living things  
And let your love shine and you'll know  
What I mean that's the reason.

There's a reason for the warm sweet nights  
And there's a reason for the candle lights  
Must be the season when those love rites shine all  
around us  
So let the wonder take you into space  
And lay you under it's loving embrace.

Let feel the thunder as it warms your face you can't  
hold back  
Just let your love flow like a mountain stream  
Let your love grow with the smallest of dreams  
And let your love show and you'll know  
What I mean it's the season.

Just let your love flow like a mountain stream  
Let your love grow with the smallest of dreams  
And let your love show and you'll know  
What I mean it's the season...
