LINDA ON MY MIND

Conway Twitty

(chorus)

Now I'm lying here with Linda on my mind
And next to me my soon to be
The one I left behind
And lord it's killing me, to see her crying
She knows I'm lying here beside her
With Linda on my mind

Yes I know that I once loved her
And I placed no one above her
And I never thought I'd ever set her free
But it just wasn't in my plans
The way Linda squeezed my hand
The first time that I held her close
As she danced with me
She said I've loved you for a long time
But you're married to a friend of mine
And I've tried hard, to never let it show
But my love for you is stronger
I can't hide it any longer
And so I thought I'd better let you know
