And a little girl cried
'Cause a little boy lied
The vows that he made
He broke and betrayed.

And her little heart broke
'Cause the words he spoke
Were just tender lies
And a little girl cried.

She was too young to know
That he'd soon hurt her so
So she gave him her heart
Never dreamed they would part.

Now it's over and done
He's had all his fun
He just told her goodbye
And a little girl cried.

She was too young to know
That he'd soon hurt her so
So she gave him her heart
Never dreamed they would part.

Now it's over and done
He's had all his fun
He just told her goodbye
And a little girl cried...
