Look into my teardrops
And darlin' you will see
The reflection of an angel
(Ooh)
That made a fool of me
(Ooh)

Look into my teardrops
And you will see the eye
That promised me so many things
(Ooh)
But all of them were lies
(Ooh)

Look into my teardrops
In the mirror of my soul
(Soul)
And you will see the girl
Who's still my only world but I couldn't hold

Look into my teardrops
And you will see the one
That broke my heart forever
(Ooh)
Aren't you proud of what you've done?
(Ooh)

Look into my teardrops
In the mirror of my soul
(Soul)
And you will see the girl
Who's still my only world but I couldn't hold

Look into my teardrops
And you will see the one
That broke my heart forever
(Ooh)
Aren't you proud of what you've done?
(Ooh)

Look into my teardrops
In the mirror of my soul

(Soul)
And you will see the girl
Who's still my only world but I couldn't hold

Look into my teardrops
And you will see the one
That broke my heart forever
(Ooh)
Aren't you proud of what you've done?
(Ooh)
