(Both)

Making believe that you still love me

(Loretta)

It's leavin' me alone and so blue

(Both)

But I'll always dream, still I'll never own you

(Loretta)

Making believe, it's all I can do?

Can't hold you close, when you're not with me

You're somebody's love, you'll never be mine

(Both)

Making believe I'll spend my lifetime

Loving you and making believe.

--- Instrumental ---

Making believe that I never lost you

(Conway)

But my happy hours that I find now are so few

(Both)

My plans for the future will never come true

Making believe what else can I do?

(Conway)

Can't hold you close, when you're not with me

You're somebody's love, you'll never be mine

(Both)

Making believe I'll spend my lifetime

Loving you and making believe...
