As I was motivatin' over the hill  
I saw Maybelline in a Coupe DeVille  
Cadillac movin' down an open road  
Nothin' outrunnin' my V-8 Ford  
Cadillac doin' bout ninety-five  
Bumper to bumper rollin' side to side.

Maybelline, why can't you be true  
Oh Maybelline, why can't you be true  
You done started back  
Doin' the things you used to do.

--- Instrumental ---

Well, the Cadillac moved up ahead of the Ford  
The Ford got hot and wouldn't do no more  
It done got cloudy and started to rain  
I tooted my horn for the passin' lane.  
The rain water blown all under my hood  
I knew that were doin' my motor good.

Maybelline, why can't you be true  
Oh Maybelline, why can't you be true  
You done started back  
Doin' the things you used to do.

--- Instrumental ---

Well, now the motor cooled down  
And the heat went down  
And that's when I heard that highway sound  
Cadillac settin' like a ton of lead  
A hundred and ten a half a mile ahead  
Cadillac lookin' like it's sittin' still  
I caught Maybelline at the top of the hill.

Maybelline, why can't you be true  
Oh Maybelline, why can't you be true  
You done started back  
Doin' the things you used to do...
