Darling, my love for you is stronger than the weakness
in me.

It's hard to understand the weakness in a man
To a woman who's love is true it's hard to see
Why sometimes man will stray well darling I must say
My love for you is strong than the weakness in me.

When a man's all alone his weakness then is strong
And that's just how my life used to be
Now I don't hear temptations call it's just not worth it all
My love for you is strong than the weakness in me.

Darling, my love for you is strong than the weakness in
me
That's how it's been and how it's gonna be
Just as long as I have your sweet love to lean on you
see
My love for you is strong than the weakness in me

--- Instrumental ---

Darling, my love for you is strong than the weakness in
