Restless, oh, I was so restless
Oh, what I could do
And all the time though I didn't know it
Oh, I was in love with you.

Lonely, oh, I was so lonely
Oh, why, why I was blue
And all the time that I didn't know it
Oh, I was in love with you.

Restless and lonely, something was wrong
My life was not complete
Searching for something I did not know what
Until you came to me.

Restless, oh, I was so restless
Oh, what I could do
And all the time though I didn't know it
Oh, I was in love with you...
