A willin' woman
A willin' man
A five room house
And a wedding band
Believer, believer.

Once it begins
You know it don't take long
Til like two people in a heartbreak song
And wonder, I wonder.

Ain't it just like a woman
Yeah, and ain't it just like a man
Chasin' the rainbow and looking for love
When it's right in the palm of your hand.

We can't take back those things we said
So we watch it pass in seperate beds
Changing, were changing.
Too little love and too much pride
You won't give in and neither will I
We're like children, children.

Ain't it just like a woman
Yeah, and ain't it just like a man
Chasing the rainbow and looking for love
When it's right in the palm of your hand.

Feet on the floor, holding my head
Sitting alone on the edge of the bed
I been thinking, thinking.
Trying to find where we went wrong
I turned around Lord, and you were gone
It's over, it's over.

Ain't it just like a woman
Yeah, and ain't it just like a man
Chasing the rainbow and looking for love
When it's right in the palm of your hand.

Ain't it just like a woman
Oh, and ain't it just like a man

Chasing the rainbow and looking for love
When it's right in the palm of your hand.

Right in the palm of your hand.

Right in the palm of your hand...
